

# Product Line Overview

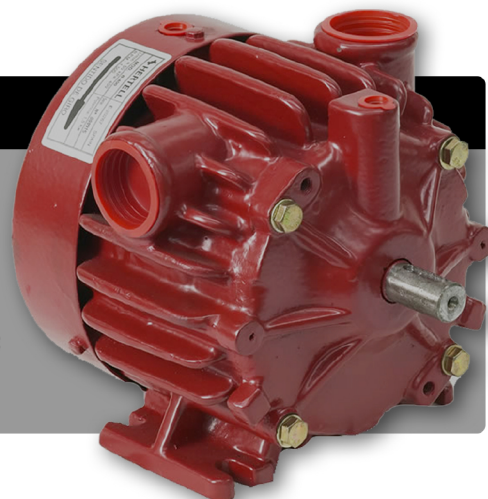

## B Series

### 30-100 CFM

An affordable pump option for intermittent duty applications such as portable sanitation & grease collection.

- Minimum HP requirements.
- Vacuum Lubrication
- Drive Options: Direct/Belt, Aux. Engine, Gearbox & Hydraulic

## KDP Series

### 100-450 CFM

A cost-effective choice for intermittent duty portable sanitation

- Minimum HP requirements.
- Oil Pump Lubrication
- Hollow, balanced rotor
- Drive Options: Direct/Belt, Aux. Engine, Gearbox & Hydraulic

## KD Series

### 100-550 CFM

Economical pump suited for agricultural applications.

- Minimum HP requirements.
- Oil Pump Lubrication
- Hollow, balanced rotor
- Drive Options: Direct/Belt, Aux. Engine, Gearbox & Hydraulic
